Investor tour of South African Operations

South32 Limited (ASX, JSE, LSE: S32) (South32) will today commence an investor and sell-side analyst tour of its South African operations.

The three day tour of the Mamatwan manganese mine, Hillside aluminium smelter and Klipspruit colliery will conclude on Wednesday 30 November 2016 and will include presentations by executives from the Africa Region lead team. The tour group will also visit the Richards Bay Coal Terminal. The various presentations were released to the exchanges between 26 and 28 September 2016 to coincide with a prior tour and are available on our website <http://www.south32.net/investors-media/reports-and-presentations> or in the embedded hyperlinks below:

About South32

South32 is a globally diversified mining and metals company with high quality operations in Australia, Southern Africa and South America. Our purpose is to make a difference by developing natural resources, improving people's lives now and for generations to come. We are trusted by our owners and partners to realise the potential of their resources. We have a simple strategy to maximise the potential of our assets and shareholder returns by optimising our existing operations, unlocking their potential and identifying new opportunities to compete for capital.
