SOUTH AFRICA ENERGY COAL DIVESTMENT UPDATE

South32 Limited (ASX, LSE, JSE: S32; ADR: SOUHY) (South32) advises that the transfer of our shareholding in South32 SA Coal Holdings Proprietary Limited (South Africa Energy Coal) to Seriti Resources Holdings Proprietary Limited (Seriti) (the Transaction)¹ is now expected to complete following the end of the March 2021 quarter. Work is progressing between South32, Seriti and Eskom Holdings SOC Limited to finalise arrangements that will underpin the sustainability of the South Africa Energy Coal business under the ownership of Seriti and allow for the satisfaction of the final material conditions to the Transaction¹. A further update will be provided to the market at the conclusion of this work.

About South32

South32 is a globally diversified mining and metals company. Our purpose is to make a difference by developing natural resources, improving people's lives now and for generations to come. We are trusted by our owners and partners to realise the potential of their resources. We produce bauxite, alumina, aluminium, energy and metallurgical coal, manganese, nickel, silver, lead and zinc at our operations in Australia, Southern Africa and South America. With a focus on growing our base metals exposure, we also have two development options in North America and several partnerships with junior explorers around the world.
