## **SOUTH32 PLEDGES A\$1 MILLION FOR CHANNEL 7 TELETHON TRUST**

South32 has pledged A\$1 million to the Channel 7 Telethon Trust, helping to support a better life for children in Western Australia.

The Channel 7 Telethon Trust distributes funds to 65 charity beneficiaries all united in their mission to improve children's health and wellbeing, including providing equipment for children in hospital, critical services for children with disabilities and life-changing opportunities for disadvantaged children.

South32 Chief Executive Officer Graham Kerr said "Through our work here at South32 we aim to make a difference now and for generations to come and we're proud to make this donation for Channel 7 Telethon Trust, helping to improve the lives of children across Western Australia.

"Wherever we operate, whether it's at our Worsley Alumina operation in the South West, or at other locations around the world, we know have a responsibility to get behind our local communities and we're proud to do so."

The donation builds on South32's support for the Channel 7 Telethon Trust, including funding for Telethon Community Cinemas.
