SOUTH32 TO SUPPORT BUSHFIRE RELIEF

South32 has pledged \$50,000 to assist with relief and rebuilding efforts for communities affected by the south-west bushfires.

Chief Operating Officer, Australia, Ricus Grimbeek said the devastation of the region was heartbreaking.

“We are a long-standing member of the South West and Peel communities and we understand first-hand how this tragic event will impact families and businesses in the region,” Mr Grimbeek said.

“Our hearts go out to those who have lost homes, livestock or been impacted by these catastrophic fires.”

South32 operates the Worsley Alumina bauxite mine in Boddington and alumina refinery near Collie.

South32’s operations have not been impacted by the fire.
