Apply for the Dr Xolani Mkhwanazi South32 Bursary!

The Dr Xolani Mkhwanazi South32 Bursary Scheme is offering a limited number of tertiary bursaries for 2026 to deserving applicants who reside in the King Cetshwayo District.

UNDERGRADUATE STUDIES

If you are currently a Grade 12 learner, or if you have already passed Grade 12, under the age of 21, and would like to study full-time towards an undergraduate degree/diploma, this bursary scheme could be just what you are looking for. The typical disciplines most suitable for this application include, but are not restricted to, the following studies:

- » Engineering, Built Environment and Architecture (All disciplines)
- » Commerce, Law and Management (Accountancy, Economics, Finance, Business Science and Law)
- » Health Sciences (Medicine, Nursing, etc.)
- » Humanities (Arts, Social Science, Education, etc.)
- » Science (Mathematical, Physical, Earth, Actuarial and Biological Sciences)
- » Computer Science and Information Technology
- » Consideration may be given for other disciplines

Applications will be assessed on academic excellence, amongst other criteria. Preference will be given to designated groups.

Acceptance into the Dr Xolani Mkhwanazi South32 Bursary Scheme is dependent on a successful interview. The bursary is renewable on an annual basis and dependent on the bursar's academic performance and conduct.
