

# SOUTH32 WORSLEY ALUMINA COMMUNITY UPDATE

March 2026

## SOUTH32 SUMMER BY THE RIVER BRINGS COMMUNITY TOGETHER

More than 700 residents and visitors gathered in Boddington on Saturday 21 March for the annual South32 Summer by the River, a vibrant community celebration marking the end of summer. As naming rights sponsor, South32 was proud to support an inclusive event that brought people of all ages together in the heart of the town.

Hotham Park came alive with market stalls, food vendors and live music, as crowds relaxed by the river and

enjoyed performances from local bands including Adele Oliver, First Offence Band, Navy June Band and The Milkmen. Families enjoyed a wide range of free activities for children, from inflatable fun and face painting to arts and crafts and a petting zoo.

The event strengthened community connections, supported local businesses and promoted wellbeing, reflecting South32's commitment to building strong, connected communities where we operate.

# CELEBRATING CREATIVITY AND COMMUNITY THANKS

On Friday, 6 March, the winners of the children's colouring in competition from the recent Boddington Community Cook Up were proudly announced. Judging was made extra special, with three of Boddington's local volunteer firefighters selecting the winning entries.

Sponsored by South32 and hosted by The Diner Café, the competition created a welcoming space for families to come together. Children enjoyed icy "Fire Truck" drinks, fairy bread and plenty of treats, while community members dropped in to share their appreciation and support.

While not all winners could attend on the day, it was wonderful to capture some bright smiles from those who were there. The event concluded with the presentation of a vibrant community "Thank You" canvas to our local emergency services — a heartfelt gesture recognising the important role they play in keeping our community safe.

## CONGRATULATIONS TO SAMMI RAE

We're proud to share that Sammi Rae has been named the Outstanding Operator/Technician/Trade Woman at the 2026 CME Women in Resources Awards.

Sammi's journey from labour hire operator to Superintendent of Drill, Blast and Exploration reflects her determination, leadership and commitment to continuous improvement. She's widely respected for the way she supports her teams, champions safety and creates opportunities for others — particularly women

pursuing technical and operational careers.

In accepting the award, Sammi expressed her gratitude to the mentors, leaders and colleagues who've supported her, and shared her hope that this recognition encourages others to see what's possible in the resources sector.

It's a fantastic achievement and well deserved recognition. Congratulations, Sammi.

# COMMUNITY GRANTS

**Applications are now open and close April 30.**

Our next round of Community Grants is officially open, and we're inviting local groups, clubs and community organisations to apply.

These grants support projects that strengthen our region — whether that's improving community facilities, supporting local events, boosting wellbeing programs or helping volunteers do what they do best. If your organisation has an idea that will make a positive difference in the Boddington, Wandering or Williams communities, we'd love to hear from you.

More information, including guidelines and how to apply, is available on the South32 website.

**Funding of up to \$10,000** for projects across the Shires of Boddington, Collie, Murray, Wandering, Waroona and Williams, as well as Greater Bunbury and surrounds.
