

*Worsley Alumina employees and family members ready to take on the Boddington Triathlon*

## **MINE COMMUNITY LIAISON COMMITTEE – 25 FEB 2016**

### **SOUTH32 REVIEW**

- South32 today announced a series of restructuring initiatives that will reset the cost base of several of its operations, including Worsley Alumina, so they can get through tough current market conditions and be sustainable in the long term
- For Worsley:
  - Operating costs: ~\$US\$65 million in savings in FY17
  - Capital costs: ~34% reduction in sustaining capital in FY17
  - Labour costs: Reduction in ~390 employee and contractor roles over FY16

### **WORSLEY OPERATIONAL UPDATE**

- Improved safety focus; production on target; and good work on cost and waste reduction
- Six new apprentices started in January - two at Boddington Bauxite Mine

### **WORSLEY COMMUNITY UPDATE**

- \$50,000 donation to Bushfire Appeal plus volunteering and in-kind support
- In-kind donations to local emergency services
- Community grants applications close 31 March
- Renewed focus on local support included consultation with local employees
